

HEALING FROM GMOs

(and Roundup®)

Dear All,

We are delighted that you've registered to learn from the experts exciting new information regarding GMOs and Roundup, and what you can do to protect your and your family's health, and reverse the damage done from years of exposure. This interview series includes information not presented anywhere else, and is hosted by the internationally-recognized, leading non-GMO educator, Jeffrey M. Smith, with his keen investigative wit.

Please print out or otherwise save this email as it includes vital information regarding the series. We will also be sending you additional information to help you prepare for this learning opportunity, plus reminders about when the interviews become available.

WHAT

Six Session educational series featuring the following experts:

- Carey Gillam, Leading Investigative Reporter on Monsanto
- David Sandoval and Endre Nagy, Leading Researchers and Developers in Natural Health
- Dr. Zach Bush, Triple Board Certified Physician and Researcher
- Dr. Tom O'Bryan, "Sherlock Holmes" for Chronic Disease and Metabolic Disorders
- Karen Diggs, Nutritionist and Founder & Chief Fermentation Officer of Kraut Source
- Jeffrey M. Smith, Founder and Director of Institute for Responsible Technology

Discover the latest findings from leading-edge research regarding the negative health impacts of GMOs and Roundup plus specific actions you can take to protect and recover from them.

WHEN

Video Interviews with the experts will become available for viewing at 9am Pacific each day Wednesday, November 29th -- Monday, December 4th (except for Sunday, December 3rd). Then on Tuesday, December 5th at 1pm Pacific / 4pm Eastern Jeffrey Smith will hold a LIVE Q&A session where you can get

your questions answered. The recording of that session will be available within 24 hours. To view the specific schedule, [go here](#).

Special BONUS: You will be able to view all of the interviews and Jeffrey's live session at any time after their release until the series closes on Saturday, December 9th.

WHERE

All of the video interviews will be available on a special event page that we will send you starting on Wednesday, November 29th when the series begins. Each day you will be able to return to this page to view that day's new release, or previous releases you have not yet seen.

For Jeffrey's LIVE Q&A we will send you a link to join a few days before the event. Make sure to mark your calendar for Tuesday, December 5th at 1pm Pacific / 4pm Eastern so you can attend that session and get your questions answered. If you cannot attend live, you can always send us questions ahead of time to [Team\(a\)HealingfromGMOs.com](mailto:Team(a)HealingfromGMOs.com) and Jeffrey will do his best to respond to them.

Thank you for making yourself and your health your priority by getting the truth. We now know that we must take charge of our own health through greater education, awareness, and requiring nutritious food and a clean environment.

Please do share this remarkable series with your friends and family, so that they too can learn from the experts, and make informed choices for themselves. Just send them to <http://HealingfromGMOs.com> where they can register.

To your health,

Team HGMOs

Disclaimer: Please note that Jeffrey M. Smith and members of Healing from GMOs and the Institute for Responsible Technology are not medical professionals and we are not providing medical advice. Experts in this series include health practitioners with various backgrounds and certifications. We are presenting their expertise for educational purposes only. As always, it's important for you to work with your doctor on your medical care.

In some cases our experts will be recommending leading-edge nutritional supplements. If you choose to purchase any of those products, a portion of the proceeds will go to the non-profit, the Institute for Responsible Technology (IRT).
